Lecture 8: Start Forming your Team

Dr. Tsung-Wei Huang
Department of Electrical and Computer Engineering
University of Utah, Salt Lake City, UT

Team Forming

- ❑ **We have opened 12 breakout rooms**
    - ❑ Zoom: https://utah.zoom.us/j/2468214418
    - ❑ Ideally, we have at most 10 teams (3-4 people per team)
- ❑ **Start forming your team today**
    - ❑ https://docs.google.com/spreadsheets/d/1JfWZkEyoXd VLtHkiwOqk24G7WVhLWMCP113cSe9fgsQ/edit#gid=13 43667579
    - ❑ Use breakout rooms 1-9 first to form a team if you have people (or a project idea to "lead") in mind already
    - ❑ Use breakout rooms 10-12 otherwise (incl. thesis track)
    - ❑ Select one project lead
    - ❑ Announce your project at the class GitHub issue page

Announce Your Team

❑ **Each breakout room announces your project**

  ❑ Make a post at class GitHub issue page: https://github.com/tsung-wei-huang/cs3992/issues

  ❑ Project idea and objective

  ❑ Current team members

  ❑ Joining your team

    • Summarize what kind of people and skills you are looking for

  ❑ Contact

  ❑ Example: https://github.com/tsung-wei-huang/cs3992/issues/2
